Request for Statement of Interest and Qualifications (RSIQ)

"Engineering Services"

RSIQ No. 2015-01

February 5, 2015

The Southeast Louisiana Flood Protection Authority-West (SLFPA-W), for and on behalf of its member Districts, West Jefferson Levee District and Algiers Levee District (hereinafter, “SLFPA-W”, “The Authority” or “Authority”), hereby invites you to submit a Statement of Interest and Qualifications (SIQ) for engineering assistance as described in the scope of services (Enclosure 1).

The proposed contract will be negotiated with the firm(s) selected by the Authority and will begin approximately in March 2015. The Contract for Professional Services (Enclosure 2) will be used for this agreement.

Firms electing to submit a proposal as a prime contractor cannot be listed as a subcontractor on another firm’s proposal. Firms not submitting as a prime contractor are allowed to be listed as a subcontractor on as many proposals as they deem appropriate. Please note, firms who are prime contractors on existing contracts with the Authority will be allowed to submit as subcontractors for this advertisement.

The general criteria to be used by the Authority in evaluating responses for the selection of a potential contractor to perform these services are:

1. **Specialized Experience (Firm and Key Personnel)**
   Measures both the firm’s and key personnel’s demonstrated experience and performance on work similar to that likely to be required from this advertisement;

2. **Professional Qualifications**
   Measures the personal qualifications of key personnel including academic attainment, professional achievements and relevant
experience;

3. **Capability of Firm**  
30 points  
Measures the ability of the firm to provide the technical/professional disciplines necessary to perform these services within the designated timeframe.  

100 points

Should you wish to respond to this request for an SIQ please submit four (4) copies of a written statement expressing your willingness to comply with the terms specified herein. Elaborate proposals are neither required nor desired. The Authority prefers a simple presentation and discourages extensive use of artistic designs, use of hard binders, etc. Included in your SIQ should be (1) an executive summary stating the firm's particular expertise, resources and advantages they or their team will bring to the agency. This summary is limited to two pages; and (2) Standard Form 24-102 (SF24-102), which is attached as Enclosure 3. In the event the SIQ contains subcontractors, the particular task they will perform together with the relevant experience should be included. Names listed on the SF24-102 must precisely match the names filed with the Louisiana Secretary of State, Corporation Division, and the Louisiana State Board of Registration for Professional Engineers and Land Surveyors. Resumes or any organizational chart included in the SF24-102 shall clearly state the location (city and state) of the office in which the staff member resides. Any potential contractor failing to submit any of the information required on the SF24-102 will be considered non-responsive.

This written statement must be provided to the Authority no later than 3:00 p.m. CST, Tuesday, February 24, 2015. Statements must be addressed to:

Mr. John R. Monzon, P.E.  
Regional Director  
Southeast Louisiana Flood Protection Authority-West  
7001 River Road, Marrero, LA 70072

And, if not mailed, may be hand delivered. No electronic submissions. Any proposal submitted untimely will not be considered. The selected firm(s) will be notified via U.S. Mail.

All potential contractors should be advised that contractors may, in certain circumstances be deemed public employees as defined by the Ethics Commission. **Full disclosure to the Authority is required of any potential conflicts.**

According to the provisions of LA R.S. 12:301-302, any corporation that is not incorporated in the State of Louisiana must obtain a certificate of authority to transact business in Louisiana from the Louisiana Secretary of State, Corporations Division, 3851 Essen Lane, Baton Rouge, LA 70809, Phone Number: (225) 925-4704.

The firm, engineers, or surveyors that will accomplish the work as described in Enclosure 1, Scope of Services, shall be certified by the Louisiana State Board of Registration for Professional Engineers and Land Surveyors and shall possess current licenses throughout the term of the contract. The firm, engineers, or surveyors shall provide all services in compliance with the registration law for
Professional Engineers and Land Surveyors (LA R.S. 37:681 through 37:703 as amended by Act 568 of 1980) and the rules of the Board of Registration for Professional Engineers and Land Surveyors.

ANY QUESTIONS REGARDING THIS RSIQ SHOULD BE SUBMITTED IN WRITING TO THE REGIONAL DIRECTOR

Questions must be submitted in writing and received by 3:00 p.m. CST, ten (10) calendar days before the statements are due. Official responses to all questions submitted by potential proposers will be answered five (5) calendar days after receipt of the submitted questions.

SCOPE OF SERVICES
FOR
ENGINEERING SERVICES

I. INTRODUCTION
At the Southeast Louisiana Flood Protection Authority-West, our mission is to protect life and property for those who call the west bank of Orleans and Jefferson Parishes home by providing effective, efficient protection from hurricane storm surges and other high-water events that impact levees and other flood-control structures. The proposed contract(s) will be to provide full service Engineering Services capable of performing all aspects of project design including data collection, design and construction oversight on projects initiated by the Authority.

A sample copy of the contract you will be required to sign, if selected, is attached. Please review the contract prior to submitting your proposal. No requests for changes to the contract language will be considered. It is anticipated one (1) to three (3) 36-month contracts will be awarded from this advertisement. Standardized rate sheets will be distributed to each Consultant selected from this advertisement. Agency maximum billable rates for each labor category will be calculated and applied to each rate sheet. Rate sheets will be applicable for the full term of the contract. Billable rates should be inclusive of any and all costs, including labor, overhead, lodging, travel, per diem, administrative costs, software, account management, and any other costs related to provision of services.

II. SCOPE OF WORK
The services and deliverables will be provided on an as needed, task order basis.

   • Review and development of construction cost estimates and technical reports;
   • Preparation of construction documents including plans, specifications and bid packages;
   • Technical presentations; and
• Interfacing with all engineering and scientific disciplines.

2. **Structural Engineering.** Provide personnel and equipment to analyze and design a wide array of flood protection structures including levees, shoreline protection and panel breakwaters, gated outfall structures and weirs, flap gated culverts and structural foundations.

3. **General Engineering.** Provide personnel and equipment to perform engineering design including, but not limited to:

   • General engineering and hydraulic studies
   • Analysis and manipulation of data sets and GIS software
   • Project scoping
   • Technical document development and review
   • Report preparation and presentation
   • Estimates of probable cost

4. **Construction Oversight.** Provide personnel and equipment to perform construction oversight and inspection services on a wide array of flood protection projects. Duties may include, but are not limited to:

   • Contractor supervision and representation of owner
   • Resident inspection in remote locations
   • Review of daily work logs
   • Technical document development and review
   • Verification of pay requests

B. **Personnel and Equipment Requirements**

1) **Engineer Requirements.** Engineering work accomplished under this Scope of Services will be performed in accordance with the laws and rules of the State Board of Registration for Professional Engineers and Land Surveyors (LAPELS).

2) **Equipment.** Provide computer hardware, software and other equipment necessary to accomplish the services requested by the Department.

C. **Typical Deliverables**

1) Plans typically are 11" x 17" size drawings bearing the seal of the responsible Professional Engineer or Professional Land Surveyor and may include:

   • Elevation contour maps
   • Cross-sections
   • Plan views (Overlay on aerial or satellite photography and the Lambert Conformal Conic Projection, Louisiana State Plane Coordinate System South Zone, NAD83 may be required.)
Plans shall be submitted as directed by the Authority. Digital copies of plans shall also be submitted in AutoCAD 2004 or newer (*.dwg) format, *.dwf and *.pdf formats. All Plans shall be produced on the Authority standard title block.

2) Specifications (compatible with the Authority standard format, hardcopy and digitally in MS Word and Adobe formats) and bid documentation.

3) Technical presentations

4) Technical reports

5) Progress reports

A specific list of deliverables will accompany each Task Order when issued. All deliverables shall be accompanied by a typed Letter of Transmittal.
CONTRACT FOR PROFESSIONAL SERVICES

BE IT KNOWN, that on this ___ day of _____________, 2015, the Southeast Louisiana Flood Protection Authority-West, (hereinafter sometimes referred to as “SLFPA-W” or the “Authority”) and (Enter name and address) (hereinafter referred to as “Contractor”), do hereby enter into a contract under the following terms and conditions:

1. PROJECT IDENTITY AND DESCRIPTION

2. TERM OF CONTRACT

This Contract shall begin on ______________ and shall terminate on ____________.

3. SCOPE OF SERVICES

Contractor hereby agrees to furnish services as outlined in Enclosure 1, “Scope of Services.”

4. COMPENSATION

In consideration of the services described above, the Authority hereby agrees to pay the Contractor a maximum fee of $_______________.

5. NOTICE TO PROCEED

The Contractor shall proceed with the work upon receipt of an executed contract signed by duly authorized representatives of both parties.

6. CONTRACT MONITOR

John R. Monzon, Regional Director, or his designee, will act as the Contract Monitor (hereinafter sometimes referred to as “Contract Monitor”) for this project, to provide liaison between contractor and the Authority, and to perform various duties which are specifically provided for in this Contract and Enclosure 1, “Scope of Services.”

7. PAYMENT TERMS

Payments will be made only on the approval of John R. Monzon, or his designee. Payment to Contractor for services rendered shall be made according to the following:

Invoices shall be submitted monthly. Rates are inclusive of all travel related costs, which includes airfare, meals, lodging and mileage. Rates are inclusive of all supply costs normally associated with the delivery of services, including but not limited to computers, field sampling supplies, office supplies, copies, and routine safety equipment and materials. If a task requires specialized equipment or materials, the Contract Monitor or
his designee may approve reimbursement at cost for such equipment or materials. Such
approval must be granted by the Contract Monitor or his designee in writing PRIOR to
the contractor incurring these costs.

A progress report shall be submitted by the Contractor with each invoice for payment.

This Contract is subject to and conditioned upon the availability and appropriation of
funds. No authority exists for payments which exceed the maximum contract amount
except through written amendment prior to the expiration date of the contract.

8. INDEMNIFICATION

The Contractor shall protect, defend, indemnify, save and hold harmless the SLFPA-W,
its officers, agents, servants and employees, including volunteers, against any and all
claims, demands, suits, costs, attorney fees, expenses, and judgments for sums allegedly
due to any party for loss of life, injury, or damage to any persons or property arising from
or in any way growing out of any negligent act or omission of the Contractor, its agents,
servants, and employees while engaged upon or in connection with the services required
or performed by the Contractor with regard to this Contract, except for those claims,
demands, and/or causes of action arising out of the negligence of the SLFPA-W, its
agents, representatives, and/or employees. The Contractor agrees to investigate, handle,
respond to, provide defense for and defend any such claims, demand, or suit at its sole
expense and agrees to bear all other costs and expenses related thereto, even if such
claim, demand, or suit is groundless, false, or fraudulent.

9. INSURANCE

Insurance shall be placed with insurers with an A.M. Best’s rating of no less than A-: VI.
This rating requirement shall be waived for Workers’ Compensation coverage only.

Contractor’s Insurance: The Contractor shall not commence work under this Contract
until he has obtained all insurance required herein. Certificates of Insurance, fully
executed by officers of the Insurance Company written or countersigned by an authorized
Louisiana State agency, shall be filed with the Authority for approval. The Contractor
shall not allow any sub-contractor to commence work on his subcontract until all similar
insurance required for the subcontractor has been obtained and approved. If so requested,
the Contractor shall also submit copies of insurance policies for inspection and approval
of the Authority before work is commenced. Said policies shall not hereafter be canceled,
permitted to expire, or be changed without thirty (30) days’ notice in advance to the
Authority and consented to by the Authority in writing and the policies shall so provide.

Compensation Insurance: Before any work is commenced, the Contractor shall
maintain during the life of the contract, Workers’ Compensation Insurance for all of the
Contractor’s employees employed at the site of the project. In case any work is sublet, the
Contractor shall require the subcontractor similarly to provide Workers’ Compensation
Insurance for all the latter’s employees, unless such employees are covered by the
protection afforded by the Contractor. In case any class of employees engaged in work under the contract at the site of the project is not protected under the Workers’ Compensation Statute, the Contractor shall provide for any such employees, and shall further provide or cause any and all subcontractors to provide Employer’s Liability Insurance for the protection of such employees not protected by the Workers’ Compensation Statute.

**Commercial General Liability Insurance:** The Contractor shall maintain during the life of the Contract such Commercial General Liability Insurance which shall protect him, the Authority, and any subcontractor during the performance of work covered by the contract from claims or damages for personal injury, including accidental death, as well as for claims for property damages, which may arise from operations under the Contract, whether such operations be by himself or by a subcontractor, or by anyone directly or indirectly employed by either of them, or in such a manner as to impose liability to the Authority. Such insurance shall name the Authority as additional insured for claims arising from or as the result of the operations of the Contractor or his subcontractors. In the absence of specific regulations/provisions, the amount of coverage shall be as follows: Commercial General Liability Insurance, including bodily injury, property damage and contractual liability, with combined single limits of no less than $1,000,000.

**Insurance Covering Special Hazards:** Special hazards as determined by the Authority shall be covered by rider or riders in the Commercial General Liability Insurance Policy or policies herein elsewhere required to be furnished by the Contractor, or by separate policies of insurance in the amounts as defined in any Special Conditions of the Contract included therewith.

**Licensed and Non-Licensed Motor Vehicles and Watercraft:** The Contractor shall maintain during the life of the Contract, Automobile Liability Insurance in an amount not less than combined single limits of $1,000,000 per occurrence for bodily injury/property damage. Such insurance shall cover the use of any licensed and non-licensed motor vehicles engaged in operations within the terms of the Contract on the site of the work to be performed, unless such coverage is included in insurance elsewhere specified.

If watercraft is engaged and/or utilized in any operations performed under this Contract, the Contractor shall maintain Watercraft Liability Insurance in an amount not less than combined single limits of $1,000,000 per occurrence for bodily injury/property damage. Such insurance shall be maintained during the life of this Contract, and cover the use of any licensed and non-licensed watercraft engaged in operations within the terms of the Contract on the site of the work to be performed, unless such coverage is included in insurance elsewhere specified. If the watercraft engaged and/or utilized in any operations performed under this Contract is not owned and/or operated by the Contractor, then the Contractor shall require that any and all such subcontractors take and maintain the Watercraft Liability Insurance as prescribed and required by this Paragraph.

**Subcontractor’s Insurance:** The Contractor shall require that any and all subcontractors, which are not protected under the Contractor’s own insurance policies,
take and maintain insurance of the same nature and in the same amounts as required of
the Contractor.

10. CLAIMS FOR LIENS

The Contractor shall be solely liable for and shall hold the SLFPA-W harmless from any
and all claims or liens for labor, services or material furnished to the Contractor in
connection with the performance of its obligations under this Contract.

11. TAXES

Contractor hereby agrees that the responsibility for payment of taxes from the funds thus
received under this Contract and/or legislative appropriation shall be Contractor’s
obligation and identified under Federal Tax Identification Number ________________.

12. COST RECORDS

The SLFPA-W, through the Legislative Auditor of the State of Louisiana and/or the
Office of the Governor, Division of Administration Auditors shall be entitled to audit the
books, documents, papers and records of the Contractor and any subcontractors which are
reasonably related to the Contract.

The Contractor and its subcontractors shall maintain all books, documents, papers,
accounting records and other evidence pertaining to costs incurred and shall make such
materials available at their respective offices at all reasonable times during the contract
period and for five (5) years from date of final payment under this Contract, for
inspection by the SLFPA-W, Legislative Auditor and/or the Office of the Governor,
Division of Administration auditors, and copies thereof shall be furnished if requested.

13. OWNERSHIP

All records, reports, documents and other material delivered or transmitted to Contractor
by the SLFPA-W shall remain the property of the Authority, and shall be returned by
Contractor to the SLFPA-W, at Contractor’s expense, at termination or expiration of this
Contract. All records, reports, documents, or other material related to this Contract and/or
obtained or prepared by Contractor in connection with the performance of the services
contracted for herein shall become the property of the SLFPA-W, and shall, upon request,
be returned by Contractor to the SLFPA-W, at Contractor’s expense, at termination or
expiration of Contract.

The SLFPA-W encourages the use of data collected under its contracts for the purpose of
dissemination of information through presentations of technical/scientific papers in
symposiums/seminars/workshops, publication in journals, newspaper articles and news,
etc. However, to better control the release of information, the use of the collected
data/project information for dissemination purposes is subjected to the following
stipulations:

Revised 1-26-2015 SLFPA-W
A. Written permission must be sought from the SLFPA-W, prior to use of collected data/project information, for any of the publication purposes mentioned above.

B. To obtain such permission a draft paper/presentation must be submitted to the SLFPA-W for review and approval prior to its release.

C. In all such papers/presentations, the SLFPA-W (and others if appropriate) must be acknowledged as the source of funding for the data collection/project.

Failure to follow these guidelines may result in stoppage of work or lack of future Task Orders.

14. AUDITORS

It is hereby agreed that the Legislative Auditor of the State of Louisiana, and/or the Office of the Governor, the Office of the Louisiana Inspector General, and/or Division of Administration auditors shall have the authority to audit all records and accounts of the Contractor which relate to this Agreement in accordance with LA R.S. 24:513.

15. ASSIGNABILITY

Contractor shall not assign any interest in this Contract by assignment, transfer, or novation, without prior written consent of the SLFPA-W. This provision shall not be construed to prohibit the Contractor from assigning its bank, trust company, or other financial institution any money due or to become due from approved contracts without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to the SLFPA-W.

16. SUCCESSORS AND ASSIGNS

This Contract shall be binding upon the successors and assigns of the respective parties hereto.

17. NO THIRD PARTY BENEFICIARY

Nothing herein is intended and nothing herein may be deemed to create or confer any right, action, or benefit in, to, or on the part of any person not a party to this Agreement.

18. CODE OF ETHICS

The Contractor acknowledges that Chapter 15 of Title 42 of the Louisiana Revised Statutes (R.S. 42:1101 et. seq., Code of Governmental Ethics) applies to the Contracting Party in the performance of services called for in this contract. The contractor agrees to immediately notify the state if potential violations of the Code of Governmental Ethics arise at any time during the term of this contract.

Revised 1-26-2015 SLFPA-W
19. **COMPLIANCE WITH STATE AND FEDERAL LAW**

Contractor further agrees, in the case of any equipment and/or product authorized to be purchased under this Contract, to comply with the Buy American Act 41 U.S.C. 8301-8305 (formerly 41 U.S.C. 10a-10c).

Further, the Contractor and its employees, subcontractors and agents shall agree to comply with all applicable Federal, State, and Local laws, policies, and ordinances, in carrying out all provisions of this Contract.

20. **DISCRIMINATION CLAUSE**

The Contracting Party agrees to abide by the requirements of the following as applicable: Title VI and VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972, Federal Executive Order 11246, the Federal Rehabilitation Act of 1973, as amended, the Vietnam Era Veteran’s Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Act of 1972, and the Contracting Party agrees to abide by the requirements of the Americans with Disabilities Act of 1990, the Davis-Bacon Act (40 USC 276a et seq), and the Federal Funding Accountability and Transparency Act (FFATA) (https://www.fsrs.gov).

The Contracting Party shall not discriminate in its employment practices, and will render services under this contract without regard to race, color, religion, sex, national origin, veteran status, political affiliation or disabilities.

Any act of discrimination committed by the Contracting Party, or failure to comply with these statutory obligations, when applicable, shall be grounds for termination of this contract.

21. **SUBCONTRACTORS**

The Contractor agrees to obtain written approval from the SLFPA-W prior to subcontracting any part of the services specified in Enclosure (1). The Contractor shall include, in any subcontract, the provisions contained in this Contract. The Contractor shall submit requests for approval, accompanied by copies of proposed subcontracts, to the SLFPA-W. The Contractor further agrees to guarantee and be liable to the SLFPA-W for all services performed under any such subcontract.
22. **CERTIFICATE OF DEBARMENT/SUSPENSION STATUS**

Contractor certifies with its execution of this agreement that it is not suspended, debarred, or ineligible from entering into contracts with any department, agency or political subdivision of the Federal Government or the State of Louisiana, or in receipt of notice of proposed debarment or suspension.

Contractor agrees to secure from any contractor(s) and subcontractor(s) for the captioned project certification that such contractor(s) and subcontractor(s) are not suspended, debarred or declared ineligible from entering into contracts with any department, agency or political subdivision of the Federal Government or of the State of Louisiana, or in receipt of a notice of proposed debarment or suspension.

Contractor shall provide immediate notice to the SLFPA-W in the event of it or its contractor(s) or any subcontractor(s) being suspended, debarred or declared ineligible by any department, agency or political subdivision of the Federal Government or of the State of Louisiana, or upon receipt of a notice of a proposed debarment or suspension, either prior to or after execution of this agreement.

Upon receipt of notice of suspension, debarment or declaration that Contractor or its contractor(s) or any subcontractor(s) is/are ineligible to enter into contracts with any department, agency or political subdivision of the Federal Government or of the State of Louisiana, either prior to or after execution of this agreement, the SLFPA-W reserves the right to review cause for said debarment, suspension, or declaration of ineligibility, and to terminate this Contract pursuant to the terms of the article in this agreement entitled TERMINATION FOR CAUSE, or take such other action it deems appropriate under this Contract.

23. **TERMINATION FOR CAUSE**

The SLFPA-W may terminate this Contract for cause based upon the failure of Contractor to comply with the terms and/or conditions of the Contract; provided that the SLFPA-W shall give the Contractor written notice specifying the Contractor’s failure.

Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the Authority to comply with the terms and conditions of this contract provided that the Contractor shall give the Authority written notice specifying the Authority’s failure and a reasonable opportunity for the Authority to cure the defect.

24. **TERMINATION FOR CONVENIENCE**

The SLFPA-W may terminate the Contract at any time by giving thirty (20) days written notice to the Contractor.

The Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.
25. REMEDIES FOR DEFAULT

Any claim or controversy arising out of this Contract shall be resolved by the provisions of LA – R.S. 39:1524 – 1526.

26. DISPUTES

Before any party to this Contract may bring suit in any court concerning any issue relating to this Contract, such party must first seek in good faith to resolve the issue through negotiation or other forms of non-binding alternative dispute resolution mutually acceptable to the parties. The exclusive venue for any suit arising out of this Contract shall be in the 24th Judicial District Court for the Parish of Jefferson, State of Louisiana.

27. AGREEMENT APPROVAL

This Contract shall not be effective until it has been approved and signed by all parties.

28. AMENDMENTS

No amendment shall be effective unless it is in writing, assigned by duly authorized representatives of both parties.
THUS DONE AND SIGNED AT Marrero, Louisiana on the day, month and year first written above.

IN WITNESS THEREOF, the parties have executed this Agreement as of this ________ day of ____________, 2015.
